

South Eastern University of Sri Lanka

NOTICE

To: All staff and the students below 30 years of age

Vaccination of University Staff and the Students below 30 years of age against COVID – 19

Arrangements are being made by the Director-General of Health Services of the Ministry of Health to vaccinate the university staff and the students below 30 years of age from any university in the corresponding areas of their residence from 11th – 15th October 2021.

Accordingly, the above vaccination drive is scheduled to be held on 13th & 15th October 2021 from 9.00 am – 12.00 pm at Main Auditorium, South Eastern University of Sri Lanka, Oluvil.

Therefore, the university staff (including temporary, contract, etc.) and the students below 30 years of age from this area are requested to get your vaccine administered at South Eastern University Vaccination Center on 13th & 15th October 2021.

Furthermore, the staff and the students of SEUSL below 30 years of age from the rest of the country are requested to get your vaccine administered at the nearest university vaccination center in the areas of your residences (permanent or current residences) from 11th – 15th October 2021.

All have to produce your National Identity Card (N.I.C) as well as University identity card to the concerned Health Authorities at the Vaccination Center.
